## **Annual Report of Trustees 2014**

### **Principal aims**

The Trust's primary aim is the promotion of education, broadly interpreted. The Trust offers support to organisations with charitable objectives within a ten-mile radius of York that meet our criteria:

- the provision of opportunities for self development that have not been available in childhood;
- the provision of opportunities that encompass not only basic education but which open horizons, develop confidence and allow people to examine their beliefs and ideas;
- the provision of opportunities to develop ideas of community and concern for others, and to make it possible to put these ideas into action.

### **Trustees in 2014**

During 2014 the trustees were: John Batchelor, John Bourton, Andrew Carter, John Harris (Clerk), Jo Reilly, Tony Spiers (Treasurer), and John Sweetman.

### **Activities in 2014**

The Trust found one formal meeting, plus between meetings activity, was sufficient to fulfil its charitable objectives, meet its legal responsibilities, distribute grant income and manage the affairs of the charity.

### **Grants made in 2014**

During the financial year ended 31 December 2014 the Trust's net income was £3293. No trustee expenses were claimed. A grant of £500, agreed the previous year, was made to Mainstay. New grants were agreed in 2014 to the following organisations, bringing the total distributed in 2014 to £2600:

1-2-1 Counselling	...	...	...	£400
Cruse Bereavement Care	...	...	...	£500
York Alternatives to Violence Project	...	...	...	£500
York Housing Association Scarcroft Project	...	...	...	£500
York International Meal	...	...	...	£200
